Knit a Baby Bonnet

for babies who are born prematurely

Community Integrated Care will donate knitted Baby Bonnets to special care, neonatal units, at NHS Hospitals.

Community Integrated Care and the Rugby League World Cup 2021 are inviting people who love to knit, the opportunity to create baby bonnets, for babies born prematurely.

Bonnets will be donated to NHS Hospitals in communities where Rugby League World Cup 2021 fixtures will be hosted. You can send us as many knitted bonnets as you like!

Did you know?

A Baby Bonnet provides warmth, protection, and cushioning for babies that require extra care and attention. Often, when babies are born prematurely, parents aren't fully prepared for arrival.

By donating a lovely hat for their newborn, we're hoping to reduce the worries of parents.

Get Involved!

On the following pages, we have provided a knitting pattern to follow, ranging from sizes very small, to large.

Inspired by the vibrant colours of the Rugby League World Cup 2021, we'd like you to use:

✓ **purple superwash wool**

✓ **superwash merino**

This is important, as these wash well and are comfortable for babies. Please **don't** use the following:

× Acrylic
× Cotton
× Bamboo
× Mohair
× Alpaca

These materials can be irritating for babies and their sensitive skin. Don't worry if you don't have purple, as we are happy with other colours!

Send us your Baby Bonnets!

Please send your bonnets and a note of your details, packaged by post to:

RLWC Baby Bonnets

Community Integrated Care
Old Market Court,
Miners Way
Widnes
WA8 7SP
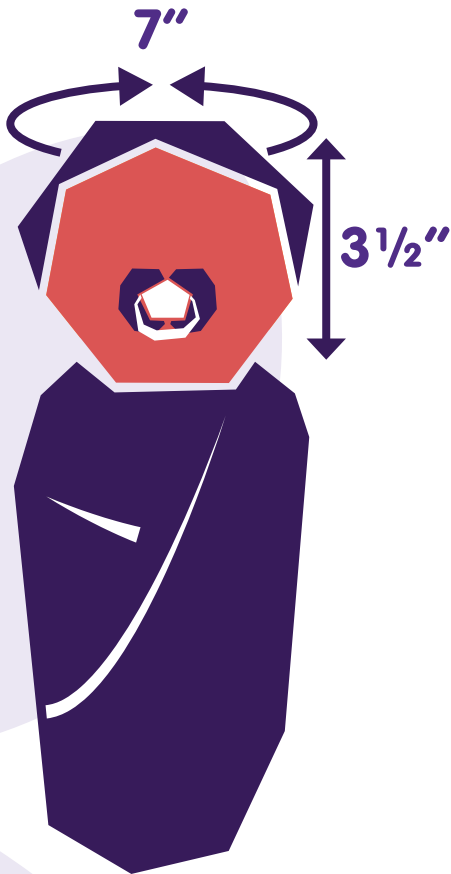

Closing date for submission:

1st October, 2021

We want parents who receive your gift to know that others are thinking of them. We'd be delighted for you to tell us more about who you are and why you have got involved, so that we can pass on the message.

Please enclose in your note:

- Your name

- Age

- Contact details
  (if you want to be contacted by our charity)

- Your community group
  (if relevant)
